Introduction

Adults Returning to School was developed to meet the needs of adult students thinking about going back to school. It focuses on financial aid and educational opportunities in Kentucky and is kept up to date with the help of college financial aid and admissions officers, financial aid program administrators, state officials and testing service representatives.

Adults Returning to School is easy to use. Part I will help you think through the process of returning to school by determining your goals, considering your scheduling options, exploring career opportunities and selecting the best school for you. Also included are entrance test information and an overview of your academic options.

Part II gives you a general overview of financial aid, tips for finding student aid and the steps necessary to complete financial aid applications. You'll also find a form to help you evaluate your financial aid package and tips on borrowing money wisely to pay for school.

Part III provides information about Kentucky colleges, from trade schools to seminaries. It has information on each school's costs, admissions requirements, financial aid and academic programs.

Higher education is a major investment of time, effort and money for you and your family. *Adults Returning to School* will provide the basic information you need to plan your college education or vocational-technical training. If you have any comments or suggestions, please direct them to:
